New Speech, language and communication pathway page on the FISH

We're excited to announce the launch of our new Speech, Language, and Communication Pathway page, **Hampshire Happy Talkers** on the Family Information and Services Hub (FISH) for Hampshire.

This page is designed to provide easy navigation, comprehensive information and support for families and professionals working with children who have speech, language, and communication needs. Whether you're seeking advice, services, or just want to learn more, this resource is here to help.

## Key Features:

- **Support Resources:** Access a range of resources and tools to support children's communication development
- **Local Contacts:** Get in touch with speech and language services and other support organisations
- **Detailed Information:** Find out about speech and language therapy services available in Hampshire and Isle of Wight
- **Referral Process:** Learn how to get a referral for speech and language therapy.
